This weeks game is Thursday, 9-17-09 (home)

Ironwood Ridge Varsity football has never beaten Cienega.

Temperature for the game is expected to be around 90°. Hydration is a key to performance in hot weather.

This week 9-17-09:

Cienega (H)—last game beat Sahurita (1-2) 41 to 14.

H1N1 Flu:

Arizona, in particular the Amphitheater schools in our area, is reporting widespread influenza activity at this time. Coronado Middle School football games were canceled due to the H1N1 Flu. Remember to cover your nose and mouth with a tissue when you cough or sneeze. Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hand cleaners* are also effective. Avoid touching your eyes, nose or mouth. Germs spread this way. Try to avoid close contact with sick people. If you player is sick keep him home.

Pre-game Meal:

This weeks pre-game meal is being furnished by Chipote's. The pre-game meal will be in the teacher's lounge next to the school cafeteria. Thank you Chipolte's for supporting the Nighthawks.
